THE WHITE HOUSE

THE WHITE HOUSE

White House, the only building in the world which has been the residence of the President of the United States. It is a masterpiece of architecture and is one of the most beautiful buildings in the world. It is situated on a high point of land in the city of Washington, D. C. and is surrounded by a park. The White House is the official residence and workplace of the President of the United States. It is a symbol of the American government and is one of the most famous buildings in the world.
